© Floris Brown (Author/Composer)

If you can love me til tomorrow G/D  
there'll be so much oh less sorrow G/D  
try it again, try until tomorrow Em/C  
yeah tomorrow, tomorrow G/D

If you can think it all night over G/D  
there'll be a warmer shoulder G/D  
don't run away, try not to run away Em/C  
run away, away

### CHORUS:

And every time when things go wrong A  
lets stand together, E  
and every time when things go wrong D  
lets not fall down the ladder A  
sometimes it's hard to make ends meet Bm  
it's sometimes hard to get on the D  
ground and find your own feet A  
sometimes hard through the night C  
to fall asleep, to fall asleep G/D
